LOCAL AND PERSONAL.

Harry Gettings, Eddie Virg Juden and Hugh Harbert, high school students walked over to Caruthersville Sunday afternoon via the levee camp and took supper with John Bonnon, a former member of the Hayti Hussar Band, and who has many friends in this city. After supper they left for this city on foot, arriving at 10 o'clock.

Mrs. Ed. Hay and two children, on their way to join Mr. Hay at Hayti, stopped here a couple of days this week to visit friends. Mr. Hay will farm in Pemiscot county this year. New Madrid Record.

R U Superstitious

Do You Believe In Signs?
If you do you are a judicious advertiser and a good business man. Judicious advertising Always Pays and especially when you advertise in a paper that is read by everybody in its territory.

This newspaper reaches the eye of everybody who might be a possible buyer in this section.

The Hayti Hussar Band.

Let us call attention of the people of Hayti to the showing that the Hussar Band is now making. Our band is less than two years of age, and no doubt is the best one in Southeast Missouri with the exception of the Cape Band. They have spent much time and much money in the work, and have worked diligently; now, that they are beginning to come out, it is time that the people of Hayti get busy and erect a band stand somewhere, so that we may enjoy ourselves on Sunday afternoon this summer.

With a small donation they purchased new up-to-date uniforms, and purchased the instruments themselves, now, the people should get behind them and show their appreciation of their efforts in erecting a band stand for their evening entertainments. We believe the band will agree to give free open-air concerts once a week if the city will build this band stand.

We understand that the Hussar Band has been engaged for the Labor Day celebration at Chaffee this year, besides having a few other nice jobs in sight.

E. R. Bogan of the E. R. Bogan Drug Co., of Luxora, Ark., is in this city this week visiting friends.

Walter Byrd visited his mother, Mrs. S. F. Wallace, at Cottonwood Point a few days last week.

W. P. Meatte was in Portageville Tuesday afternoon on business matters.

Fair for Pemiscot County.

News comes to us that the people of Caruthersville have formed or about to form a fair association, capitalized at \$15,000, half paid up, and assessing the shares at \$25.00 each, making provision that each vote of stockholder shall be the same. That is, one person holding one share has the same vote in its affairs as the person owning twenty-five shares. We are glad to see the people of the county waking up to the interest of agriculture, as nothing is a better promoter for this industry than a good live fair.

About Your Paper.

Complaint has come to this office that several subscribers are not getting their papers promptly. The cause is absolutely not in the mailing, as our mailer cannot make a mistake, unless it is done purposely, and we certainly are going to send the paper when it is paid for. If you fail to receive yours, kindly investigate at the postoffice. And to those who are not subscribers we call attention that should you find a copy of the Herald in your box addressed to some other party, we ask that you return same at once to the postoffice for the right party. The postmaster is liable to make a mistake, putting mail in the wrong box, but that does not release your liability. And we cannot figure out any other way than this one. We ask those who fail to get their Herald to report same to us immediately so that we may investigate same. You pay for your Herald and we want you to have it.

The high school boys defeated Malden by a score of 43 to 24.

After the game the visitors was given a reception at the school building. The Malden superintendent, Mr. E. W. Davis, and his team were very flattering in their remarks about the fine treatment or as they called it "the universal courtesy shown them" while in our midst.

We can return the compliment by saying they were an unusually fine bunch of boys. They played Caruthersville the following night (Saturday) defeating that team by a score 25 to 20.

Several new seats arrived this week and are being put into use at once. Our attendance had increased so much the School Board found it necessary to order these seats to take care of the crowd.
